Pool Demolition

- City of El Cajon Requirements -

SCOPE OF WORK:

- 1) Obtain building permit.
- 2) Post a \$1,000.00 bond, refundable at approved final inspection.
- 3) Remove all electrical and plumbing.
- 4) Remove all pool equipment.
- 5) Drill a minimum of 10 holes in bottom of pool, at least 1.5 inches in diameter down to the dirt underneath. Inspection to be called for at this point.
- 6) Demolish concrete deck around pool.
- 7) Demolish sides of pool around entire structure, taking the concrete down a minimum of 2 feet. Second inspection to be completed.
- 8) Fill void with fill, compacting it as you go. Smooth out backyard area to level surface.
- 9) Final inspection to be completed.
