## USEFUL INFORMATION ABOUT PUBLIC HEARINGS

### BACKGROUND:

A public hearing is an opportunity for you to make information known to the City of El Cajon prior to a decision being made on a project in which you have an interest. Public hearings may be heard by either the Planning Commission or the City Council. The procedures used by both of these bodies are very similar. Both the Council and the Commission work from a prepared agenda. Items are considered in the sequence shown on the agenda unless by specific motion the order is changed. Agendas and staff reports will be available at the meeting. **Additionally, staff reports will be available for review by Thursday after 4 p.m., before the P.C. meeting via the city's website at [www.cityofelcajon.us](http://www.cityofelcajon.us). The Planning Commission agenda and staff reports will be located under the links of Commissions / Planning Commission / Agenda. The City Council agenda reports will be located under the links of City Council / Agenda / Current Agenda – full version.**

### SPEAKING AT THE MEETING:

The City is required by law to hear anyone desiring to speak, though the time allocated may be limited by the Chair or Mayor unless you represent a group. It is asked that your remarks be relevant to the subject and as brief as possible. If you are not able to be present at the hearing, you are welcome to submit a letter expressing your views. If you have questions prior to the hearing, you are invited to contact the staff member listed on the official notice on the opposite side of this page. To address the Commission or Council, please come forward to the podium and be recognized, stating and spelling your name and address with zip code, so that we may contact you in the future if necessary. The meeting will be taped for the purpose of accurate minutes. Please do not let nervousness be a problem. The city is more interested in what you have to say than in how well you say it.

### VOTING PROCEDURE:

After everyone has spoken, the public hearing will be closed, a motion made, and a vote taken. An electronic voting system is used. After all votes have been cast, they will be displayed simultaneously. Green indicates a YES vote; red a NO vote; and white an ABSTENTION. Three yes votes are necessary to approve a motion.

### HANDICAPPED AND DISABLED ACCESS:

The City of El Cajon is endeavoring to be in total compliance with the American with Disabilities Act. If you require assistance or auxiliary aids in order to participate at Planning Commission meetings, please contact the Planning Division at (619) 441-1742 as far in advance of the meeting as possible. **48 hours preferred**
